21ST ANNUAL GOLF OUTING
Format and Guidelines

August 3, 2020

Tournament Guidelines:

- ◆ 1:00 pm Shot-Gun Start – Everyone is asked to be at their assigned golf cart at 12:40 to 12:45 to receive Golf Pro Instructions.
- ◆ The format of the golf outing shall be a “**4-man scramble**”. Briefly, each member of the foursome hits from the tee. The foursome selects the best shot for which each golfer hits or putts from that spot. On the green the same format, remember to mark the ball location before hitting or putting. Should there be Threesomes in the event, the fourth shot will be given in a rotating order of the threesome.
- ◆ There will be no “gimmes” on the putting greens. Put the ball in the cup.
- ◆ Each member of the foursome shall utilize at least one drive /tee shot per nine holes. (1 per front 1-9 and 1 per back 10-18) “**Mulligan’s**” will be available for purchase. Each individual can purchase a Mulligan card at \$5 or \$20 per foursome at the registration table. A Mulligan “second chance” card can be used only once per individual.
- ◆ Winter Rules – All shots shall be within one club length from the original spot of the ball, but no closer to the hole. Follow course rules, designated hazards and boundaries. All standard golf ethics and PGA rules apply. Repair all divots and ball marks. Follow all signs on the course as directed and as per instructions of the Club Golf Pro.
- ◆ There are (6) eight holes designated for individual skill prizes. Remember to accurately, mark, measure and sign the designated marker accordingly. Long Drives must be in the Fairway; Closest to the pin & longest putt must be on the green, not the fringe. (*Refer to the attached list for selected Skill and Hole designations*). All individuals are eligible to win and receive "one" skill prize. (*Only one skill prize per person*). In the event that an individual accomplishes more than one, the individual will receive the first available listed skill prize won and the runner up will receive the other.
- ◆ Crazy Hole #4 – Designated as the "Plumber's Pipe Wrench" special hole. Each player shall select and use the same club from Tee to Hole. That means every shot, including putting will be made with the same club. (*Putters are not eligible on this hole*).
- ◆ Return a legible copy of the foursome/ team scorecard to the pro shop upon completion of the round. Clearly indicate each member of the team/ foursome as well as the starting Hole. The golf pro will record the scores and provide the winner’s list upon completion of golf.
- ◆ Soft Spike or acceptable spikeless shoes required. No steel spikes, the pro shop will change spikes for a minimal charge if required. Proper golf attire required, collared golf shirt, no cut off jeans or gym shorts. (*Country Club Attire*)

American Society of Plumbing Engineers JOHNSTOWN CHAPTER

21st Annual Golf Outing
August 3, 2020
