

2017 Tech Symposium

October 19-22, 2017 | Hotel Bonaventure Montréal | Montréal, Québec

Sponsorship Program

The ASPE Technical Symposium Sponsorship Program is a unique opportunity for manufacturers to show their support of the industry and reach out to attendees of the event. The ASPE Technical Symposium is a proven networking and educational event for plumbing engineers. During three intensive days, hundreds of plumbing engineers, designers, specifiers, and contractors gather to mingle with and learn from their peers.

Benefits of Sponsoring

Becoming a sponsor of the 2017 ASPE Technical Symposium provides marketing and networking opportunities that maximize your exposure to the plumbing engineering and design community. A sponsorship:

- > Provides visibility and recognition of your company to ASPE members and industry leaders
- > Enhances your image, prestige, and position with plumbing engineers and designers
- > Builds awareness of your company's products and services
- > Offers the opportunity to build relationships with hundreds of plumbing engineers and designers

Product Show Oct. 19 & 20

The ASPE Technical Symposium Product Show is a unique chance for manufacturers to get one-on-one face time with the plumbing engineers who specify their products. This product show features tabletop displays on which manufacturers can showcase their products and literature while mingling with Technical Symposium attendees.
