CRITERIA for the ASPE- Los Angeles Chapter Scholarship Program

The Scholarship is open to all Plumbing Designers, CAD Draftsperson or Mechanical Engineering Students. The Scholarship Program is for a complete 3-quarter-sequential-course attending the Plumbing Systems Design Classes at UCLA Extension.

Criteria and Qualifications are as follows:

1. One (1) scholar per Course Year will be selected by the Board together with the Education Committee Chairperson. Selection of the Board is final.
2. The individual shall be a current Plumbing Designer, a CAD person or a Junior Year Mechanical Engineering Student at a Board approved program, interested in pursuing a career as a Plumbing Engineer.
3. The individual shall join ASPE-Los Angeles Chapter and become an active member of the Society for a minimum of two (2) years, by attending and participating at monthly ASPE-LA Chapter meetings. Selected scholar is encouraged to remain a member of ASPE-LA after graduation.
4. If not a Junior Year Mechanical Engineering Student, the individual shall at least be a High School graduate or with GED equivalent.
5. The individual shall be willing to finish the complete course at UCLA and shall pass all the examinations and graduate. Proof of passing grade and graduation certificate will be required to be presented to ASPE-LA at the end of each semester.
6. Included in the scholarship are full tuition fees and 50% of the cost of reference books required for the class. Time, Travel and other expenditures shall be borne by the student. ASPE-LA Chapter will pay the tuition fees upon presentation of the receipt for completion of the quarter. Failure to complete or pass the course, will result in paying back ASPE-LA for all expenses incurred.
7. Individual shall provide a Letter of Recommendations, from his or her Supervisor to the ASPE-LA Board and an essay of why he or she is interested in the Plumbing Engineering or Design Profession.
