- The Committee shall interview all Candidates to determine if they are qualified to hold the Board
  position they are seeking. If the Committee does not feel the Candidate is qualified to hold the position
  they are interested in, the Committee may recommend that the Candidate consider running for a
  different position.
- Based on the information gathered during the interview process of each Candidate, the Committee shall prepare a slate that list at least 2 recommended individuals for each position, and this list shall be referred to as the "Recommended Slate of Officers". The Recommended Slate of Officers shall be the top-rated Candidate or Candidates for each Board position as ranked by the Nominating Committee.

The next election of Board members will take place during the ASPE Biennial Business Meeting. The information provided by the Candidates in this Application Package, the letter or correspondence indicating family approval and if possible, similar correspondence relative to employer approval, and the Slate of Officers from the Nominating Committee, will help the members and Delegates make an informed decision when casting their vote during the election of the Society Board of Directors.

Thank you for your interest as a Candidate to the ASPE Board of Directors.

Sincerely

Mitchell J. Clemente, CPD, FASPE Nominating Committee Chair

Package must be submitted by May 8, 2020

May 7, 2020,

To Whom It May Concern on the ASPE Nominating Committee,

My name is Melissa Mortimer, and I am the fiance of Steve Kormanik. Without a doubt, I support my fiance, Steve, 100% with his commitment to ASPE and the opportunity to be the Region 2 Director. I am fully aware of the responsibilities that come along with serving on the Society Board of Directors. I understand that serving on the board may require Steve to be away from family for certain periods of time.

Steve has always demonstrated a commitment and passion for his work and involvement in his ASPE Chapter. I have had the privilege to travel with Steve to many ASPE events such as President's Meetings, Technical Symposiums, and Conventions and Expos. I stand behind Steve and the Johnstown Chapter. In fact, you will often find me and one of our daughter's driving the beverage cart for the Johnstown Chapter's Golf Tournament.

Steve has my blessing. His family will continue to stand behind him in his endeavours. We are *VERY PROUD* of him!

#### **GUIDELINES AND DEFINITIONS**

#### **Bias**

The question of potential sources of bias ordinarily relates to views stated or positions taken that are largely intellectually motivated or that arise from the close identification or association of an individual with a particular point of view or the positions or perspectives of a particular group. Such potential sources of bias are not disqualifying for purposes of the Society Board of Directors. It is necessary, however, in order to ensure that the members and the Delegates are aware of potentially biasing backgrounds or professional or organizational perspectives.

#### **Conflict of Interest**

It is essential that the work of the ASPE Society Board of Directors not be compromised by any significant conflict of interest, or in some circumstances the significant appearance of conflict of interest, on the part of any member of the Board or anyone associated with the Board (e.g., consultants and staff). For this purpose, the term "conflict of interests" means any financial or other interest that conflicts with the service of an individual because it (1) could impair the individual's objectivity or (2) could create an unfair competitive advantage for any person or organization. The existence of a significant conflict of interest is important information to the membership and the delegates.

#### How conflicts of interest arise

- 1. The Society Board of Directors includes individuals with strong personal, financial, or professional interests in seeing that the Society recommend or produce a particular outcome.
- 2. An agency, a sponsor, or a private organization or company attempts either to influence the Society Board members or to skew the body of information reviewed by the Board of Directors.
- 3. The conflicts of interest or bias can arise concerning individual points of view especially on contentious issues. For the Board of Directors, nearly all of the people of relevant competence have backgrounds of connections and experience that constitute, or can be construed by others as constituting, potential sources of bias in one direction or another. It may, therefore, be difficult to find individuals with the pertinent knowledge who have not been involved previously with an issue that will come before the Board. Such situations are resolved by the membership and the delegates by selecting a carefully balanced consensus-forming body so that all points of view can be represented.

#### To avoid conflicts of interest

Adhere to ASPE policies and procedures. These policies and procedures include specific questions and assessments prior to the election of officers to the ASPE Society Board of Directors to bring possible conflicts of interest to the attention of the membership and the delegates. Two essential parts of this process are, prior to the election of officers, completion of a short statement of inclinations, interests and affiliations that lists professional connections and indicates any positions taken in relevant public statements, and any other interaction between the Candidates and Delegates during the biennial Convention.

What are your ideas for addressing the large age gap between younger and older members?
13H. ASPE has continuously relied on the affiliate member organizations to support the Society. What are your
ideas to change this and how can we get our members to help support the Society other than with dues.

#### PETITION TO INSURE PLACEMENT ON BALLOT

(Complete this section only if you are nominating a candidate from the floor, or if you have missed the deadline to submit the application package and are petitioning the committee for inclusion as a candidate.)

In accordance with the ASPE Bylaws:

The Nominating Committee shall be responsible for developing a recommended slate of officers for presentation to the membership and for election as officers by the delegates.

The Nominating Committee shall review the material for each Candidate, shall attest to the accuracy of the information provided, and shall prepare a summary biography for distribution to the membership and the delegates not later than sixty (60) days prior to the date of the election.

In accordance with the bylaws, the Nominating Committee will present to the delegates at the biennial ASPE Business Meeting. All nominations from the floor shall require a second and a positive vote to include the candidate of at least 25 delegates; written petitions for inclusion on the official candidate ballot shall require a minimum of fifty (50) full or associate member signatures.

In order to ensure that a candidate who submits their Board of Director Candidate Interest Form is added to the ballot that the Nominating Committee submits to the delegates, this Special Petition to Insure Placement on the Ballot should be filled in and submitted along with the candidates Statement of inclinations, Interests and Affiliations Form.
