*Session dates, times, and topics are subject to change.*
The 2024 ASPE Expo offers a one-of-a-kind showcase of the largest display of plumbing design products and services available anywhere, where you can experience interactive educational opportunities featuring onsite product engineers ready to address your technical inquiries about products. Additionally, you can receive CEUs simply by exploring the Expo floor!

In addition to exhibitor booths, the ASPE Expo includes the Innovation Theater, featuring complimentary presentations on new exhibitor technologies and products, as well as the Innovation Wall, where you can find information on the latest products taking the industry by storm.

Access to the show floor and CEUs is included with a Full registration. Expo-only registration is $25 plus an additional fee for CEUs.
